## Shining A Light on Our Supporters!

### Celebrate the Memory of a Loved One, Giampietro Family

#### The Rosemary Rovella Scholarship

"My mother was raised with very little and was conscious of how blessed we were to be able to afford a private education," remarks Rosellyn G. "We chose the Holy Child Program because it was a way for us to carry on her desire to give back to those in need of an education."

### Get To Know Debra Ronnholm, President, Childhaven (retired) Seattle, WA

"I was inspired to donate especially after I learned how the staff have continued to support the children and their families via remote learning and other points of contact." Debra adds, "The work happening at BHCP leaves a indelible "healing" imprint on the children and their families that they will carry with them their entire lives. Seems like an wonderful investment to me!"

### Learn about AmazonSmile from Christine G Shoreline, WA

"I have been ordering more items online in order to limit my trips to the store. It makes me feel really good knowing that a portion of my purchases from AmazonSmile are going to the Holy Child Program, a cause I care deeply about. It is very easy and, with the simple one-time step of setting it up, requires no extra effort with any purchase." Christine continues, " Every penny counts and when statements showing how much I have contributed to HCP arrive, I feel proud to have made a difference."

"But Wait... there's more!"
